11th December 2018

EXAMINATION AND EVALUATION SYSTEM

Amendments in the rules for promotion to higher semesters:

The existing "Examination and Evaluation System" specifies minimum credits requirement for promotion from Third and Fifth Semester of B.Voc. It does not specify requirement of credits for promotion to Second, Fourth and Sixth Semester. However, during the meeting of Principals held on 3rd December 2018, it was discussed and decided that it is desirable that students going for Industrial Internship (for 2nd, 4th and 6th Semester) should have attained certain level of knowledge, so that they can work in industry efficiently during the internship. It was decided that the minimum credits to be earned by the students for promotion to the higher semesters will be as follows:

For B.Voc (3 year Degree program)

Semester	Credits per Semester	Minimum Credits required for promotion
I to II Semester	30	24
II to III Semester	60	51
III to IV Semester	90	78
IV to V Semester	120	105
V to VI Semester	150	132
B.Voc Degree	180	180

For M.Voc (2 year Degree program)

Semester	Credits per Semester	Minimum Credits required for promotion
I to II Semester	25	20
II to III Semester	50	40
III to IV Semester	75	65
M.Voc Degree	100	100
