2. Aims and objectives of the committee .

To foster respect and promote inclusiveness and ensure participation of persons with disabilities in all activities at the University.

To aid and assist the University in formulating campus-wide, disability-friendly policies.

To improve the accessibility of the University campus, in terms of both physical as well as virtual infrastructure.

To protect the rights of persons with disabilities, in line of various legislations and other laws governing the land.

To facilitate the overall journey of a student with disability joining the University

To provide equal playing field to all the persons with disabilities, both admitted and employed in the University.

To assist the University in removing any barriers that may hinder the progress, empowerment and granting of equal rights to various persons with disabilities.

To conduct research activities in the field of disability laws, policies and practice.

To organize events and activities in the University, sensitizing people about the needs and rights of persons with disabilities.

To collaborate with other Institutions, Government departments and Organizations for effective knowledge sharing in the field of disability studies.
